COMMUNICATION

Responsive to the Notice to Comply With Requirements For Patent Applications Containing Nucleotide Sequence and/or Amino Acid Sequence Disclosures, please consider the following remarks.

REMARKS

Substitute pages 1 through 10 are submitted herewith containing Sequences 1 through 28, formatted in accordance with the conventions set forth by PatentIn. No new matter is introduced by these new pages as they merely represent the sequences originally set forth in the application. Accordingly, entry of these new pages is respectfully requested.
